50 YEARS OF IMPACT
Since 1972, we have:

- Improved and defended many of the nation’s most critical policies such as the Older Americans Act, the Social Security Act, the Affordable Care Act, and played an instrumental role in passing the Nursing Home Reform Act in 1987.

- Regularly provided advice and assistance to members and committees of Congress, including the Senate Special Committee on Aging, Senate HELP Committee, Senate Finance Committee, House Ways & Means Committee, and the House Energy & Commerce Committee on issues related to health, education, labor, and pensions.

2021 Highlights

- We trained over 50,000 lawyers, aging & disability service providers, health care workers, policy advocates, and others in all 50 states.

- We provided over one thousand legal consultations to lawyers and service providers in 48 states.

- We received funding from MacKenzie Scott, The State Bar of California, May & Stanley Smith Charitable Trust, Oak Foundation, CARE Economy Fund, AARP, and others.

- We saw more than 100,000 people visit our website and thousands follow us on social media.
