SNAPSHOT OF OLDER ADULTS
in Riverside County

California is the state with the most older adults living in poverty. By 2030, older adults will make up one-quarter of California’s population, intensifying the need to invest in the critical programs that support them.

Overview

Older adults age 60+ account for 20% of California’s population.

In Riverside County, 531,000 older adults are 60+.

Medi-Cal & Medicare

Older adults 65+ who have incomes at or below 138% of the federal poverty level qualify for both Medi-Cal & Medicare for their health care coverage.

There are 1,658,539 older adults statewide who are dually eligible.

Supplemental Security Income (SSI)

SSI is a federal income supplement program available to low-income older adults and people with disabilities.

567,486 older adults statewide receive SSI payments.

Poverty Levels Using the Elder Index

A new, more accurate standard of measurement gauges income security among California’s older adults and takes into account local cost of living.

30% of older adults 65+ in Riverside County don’t have enough income to meet their basic needs.

1,547,000 older adults 65+ statewide don’t have enough income to meet their basic needs.

In-Home Supportive Services (IHSS)

IHSS provides in-home assistance to eligible older adults and people with disabilities as an alternative to institutional care and enables recipients to remain safely in their own homes.

In Riverside County, 19,376 older adults 65+ receive IHSS services.

388,736 older adults statewide receive IHSS services.

Older Adults Experiencing Homelessness

In Riverside County, 1,538 adults age 55+ interacted with the homeless response system.

57,715 older adults statewide interacted with the homeless response system.
