

New Jersey D-SNPs At a Glance

How many NJ residents are enrolled in both Medicare & Medicaid?

There were about 249,000 NJ residents enrolled in both Medicare and Medicaid ("dually eligible") in 2023.¹

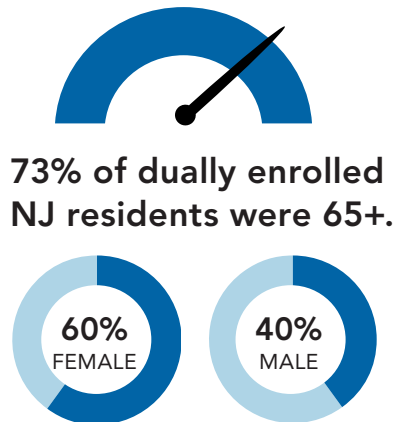

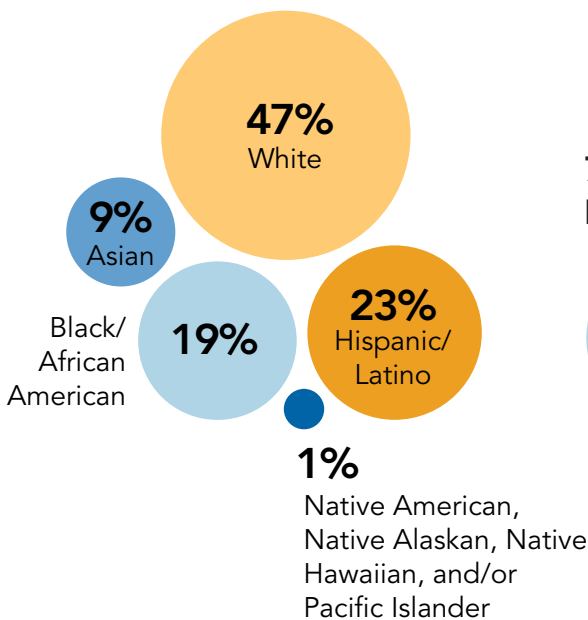

220,000 individuals, or about 88% of dually eligible individuals in New Jersey, had full Medicaid benefits. These individuals are referred to as full-benefit dually eligible individuals.

29,000 individuals, or about 12% of dually eligible individuals in New Jersey, did not have full Medicaid; rather, their Medicaid coverage was limited to assistance paying for Medicare costs through enrollment in a Medicare Saving Program (MSP). These individuals are referred to as partial-benefit dually eligible individuals.

What are some features of the dually enrolled population in NJ?

According to American Community Survey data from 2017-2022:²

Please note that, because individuals tend to under-report Medicaid enrollment for the U.S. Census, caution should be used with this data.

What is the D-SNP landscape for dually eligible NJ residents?

About 89,000 New Jersey residents, or 36% of people dually eligible for Medicare and Medicaid, are enrolled in a Dual Eligible Special Needs Plan (D-SNP).³

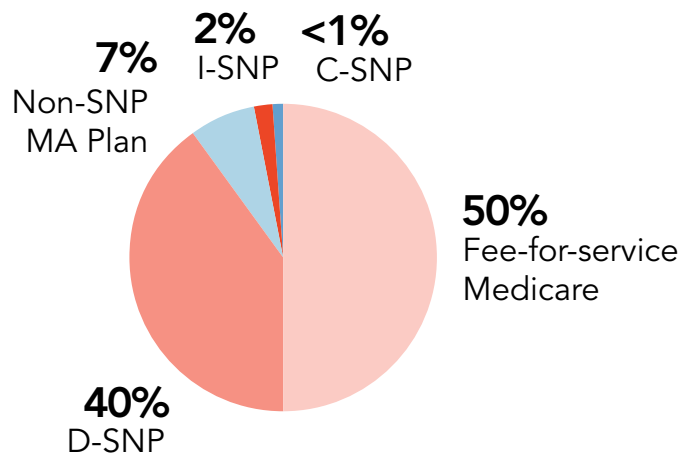

The most-enrolled D-SNP contracts were United Health Care, Horizon Healthcare, and Wellpoint.

Since 2020, D-SNP enrollment has grown by 82%.

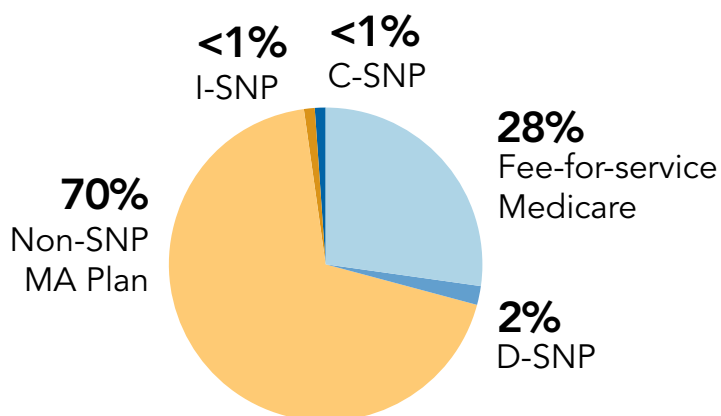

Dually eligible individuals in New Jersey receive their Medicaid benefits through managed care.⁴ D-SNP plans in New Jersey are all FIDE SNPs that are Applicable Integrated Plans.⁵ For more information on types of D-SNPs, see the [Justice in Aging D-SNP basics brief](#) and [FAQ](#).⁶

What is Medicare managed care enrollment for dually eligible NJ residents?

Among full-benefit dually eligible NJ residents:⁷

Among partial-benefit dually eligible NJ residents:⁸
